<sup>1</sup> One license form URD entitles the license holder to use the software on one work space. The price of a license entitles one to use of URD (freely available version) and as well as the commercial plug-ins Real Estate Planning Layer, Function Coverage Physical Layer, Beautification Layer, Terrain Maps and the Reportings in these layers. The prices are excl. VAT. The prices are valid for new contract until/ including 31 December 2012. Prices are subject to change on renewal.

<sup>2</sup> Without termination of the contract through the license holder during the license period the license contracts are automatically renewed with the current contractual conditions. Cancellation period is 1 month.

<sup>3</sup> Universities and educational institutions may apply for a discount of 30% for educational use or 50% for specific research agreements.

<sup>4</sup> Includes the client specific software updates with every new basis-software release.
